Enrollment decision and contract deadline

APRIL

We request school records and a teacher recommendation form for all applicants currently enrolled in a school. In addition, we require all applicants visit the school for an assessment/observation. Preschool and Kindergarten applicants visit with classroom teachers in small groups for an hour on a weekday afternoon in February or early March. First grade applicants spend a morning in Kindergarten, and second through eighth grade applicants visit for a full school day in their current grade. Middle School applicants also meet with a Middle School teacher during their visit day for a 25-30 minute informal conversational interview.

Rolling admissions cycle continues on a space available basis for all Grades.

APRIL - AUGUST

MOVING OR NEW TO THE AREA? We're happy to discuss mid-year applications for students and families who are a good fit with our program.
